

# No More

Cassie Davis

Since you've been gone  
All I wanted was for you to come  
Back to me and say sorry  
Maybe I was wrong  
And I waited my faith is strong  
So it could be undone  
Time goes by and hope to die  
So step away too long  
I don't know any change  
I was always imagining  
We'd be together  
So I hope you would  
Now your standing here  
I realize  
We're really here  
Cause I feel better  
Than I thought I could  
There I lie so many nights  
We'll say I'm on my side  
My hearts so tired of breakin'  
So finally here you are  
Your sayin' all the words  
I always wanted to fall  
I don't want you no more
