

# Big Ten Inch Record

## Wildlife

Got me the strangest woman  
Believe it, this chick's no cinch  
I tried to get her goin'  
I wanna whip out my big ten inch  
Record of the band that plays the blues  
Well, the band that plays the blues  
She just loved my big ten inch  
Record of her favorite blues  
Last night I tried to tease her  
I gave my love a little pinch  
But she said, "Stop the bullshit  
Won't you whip out your big ten inch?"  
Record of the band that plays the blues  
Well, the band that plays the blues  
She just loved my big ten inch  
Record of her favorite blues  
I'll cover her with kisses  
When we're in a lovers clinch  
It seems she gets all excited  
When she puts on my big ten inch  
Record of the band that plays the blues  
Well, the band that plays the blues  
She just loved my big ten inch  
Record of her favorite blues  
If my daddy could see me now  
[Incomprehensible][Incomprehensible]'Cept for my big ten inch  
Record of the band that plays the blues  
Band that plays the blues  
She just loved my big ten inch  
Record of her favorite blues
