

# The World Looks Red

## Sonic Youth

Push it away  
The world looks red  
People with fish eyes  
The ground sucks  
Walk on my fingertips  
Displacing the fog  
The weight of my body  
Is too mush to bear  
The memory drained  
The life from the dull  
An ocean of insects  
Worked like a sheet  
The immovable fact  
Buried my mind  
In a horsehair coat  
In a pile

On the floorPush it away  
The world looks red  
People with fish eyes  
The ground sucks  
Walk on my fingertips  
Displacing the fog  
The weight of my body  
Is too much to bear  
The memory drained  
The life from the dull  
The ocean of insects  
Moved like a sheet  
The immovable fact  
Buried my mind  
In a horsehair coat  
In a pile  
On the floor
