My Wish

Rascal Flatts

I hope the days come easy and the moments pass slow,
And each road leads you where you wanna go,
And if you're faced with a choice, and you have to choose,
I hope you choose the one that means the most to you.
And if one door opens to another door closed,
I hope you keep on walkin' till you find the window,
If it's cold outside, show the world the warmth of your smile.
But more than anything, more than anythingMy wish, for you, is that this life becomes all that you want it to,
Your dreams stay big, your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know somebody loves you, and wants the same things too,
Yeah, this, is my wish.I hope you never look back, but you never forget,
All the ones who love you, in the place you live,
I hope you always forgive, and you never regret,
And you help somebody every chance you get,
Oh, you find God's grace, in every mistake,
And always give more than you take.
But more than anything, yeah, more than anythingMy wish, for you, is that this life becomes all that you want it to,
Your dreams stay big, your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know somebody loves you, and wants the same things too,
Yeah, this, is my wish. Yeah, yeah.My wish, for you, is that this life becomes all that you want it to,
Your dreams stay big, your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know somebody loves you, and wants the same things too,
Yeah, this, is my wish (my wish, for you).This is my wish (my wish, for you)
I hope you know somebody loves you (my wish, for you).
May all your dreams stay big (my wish, for you)
