In Love

Deepcentral

I could turn around and end it,
I can leave the past behind,
I could let you down and waiting
Like an angel with no sky.I'm in love, in love, in love with you
I'm in love, in love, in love with youWe can't never, ever be two strangers
Two souls are taking one road
I can't live my life without my angel
In love... like never beforeWe can't never, ever be two strangers
Two souls are taking one road
I can't live my life without my angel
Turn me around, around, around...
I'm in love, in love, in love with you
I'm in love, in love, in love with you: x2We can't never, ever be two strangers
Two souls are taking one road
I can't live my life without my angel
In love... like never beforeWe can't never, ever be two strangers
Two souls are taking one road
I can't live my life without my angel
Turn me around, around, around...I'm in love, in love, in love with you
I'm in love, in love, in love with youI'm in love, in love, in love with you
I'm in love, in love, in love with youWe can't never, ever be two strangers
Two souls are taking one road
I can't live my life without my angel
In love... like never before
We can't never, ever be two strangers
Two souls are taking one road
I can't live my life wÃ¯ thout my angel
Turn me around, around, around.
