

# Forget To Say No

Tyler Ward

It can happen any  
Day or night  
In the middle of the middle of a crowded street  
Or underneath the summer moon light  
You might hear music playing  
Fireworks may fly  
Heart skips can get you dizzy  
Moving so fast  
And just like that

Oh  
You forget to say  
No  
You forget to say no

Ever seen an angel looking  
Back in to your eyes?  
Ever get that crazy feeling  
Burning like a fast car spinning on a dime  
There's no holding back  
And no reason too  
You lose your mind  
The stars align  
Before you even know  
It happens in a moment

Oh  
You forget to say  
No  
You forget to say no

What's your name?  
Where you from?  
Would you like to dance?  
Do you wanna fall in love?

Oh  
You forget to say  
No

You forget to say no

Do you wanna fall in love with me tonight?
