It's Not You

Halestorm

I'm in love with somebody
Found someone who completes me
I'm in love with somebody
Hey hey!
This may come as a bit of a shock to you
How could I possibly find somebody new
I don't mean to bruise your ego
But I've had your type nailed down for so long
And I'm in desperate need of something true
Oh, you understand, it's been a long time comin'
Oh, you understand, no offense
I'm in love with somebody
Found someone who completes me
I'm in love with somebody
And it's not you
I don't wanna waste time runnin' in circles
We'd end up a scratch from my broken record
Master of puppets has pulled my heart in
I found someone who has raised the bar, and
I don't think you could have lived up to my challenge
Oh, you understand, we could never make it
Oh, you understand, no hard feelings
I'm in love with somebody
Found someone who completes me
I'm in love with somebody
You've probably never been shot down before
I'll try and make it easier
I'm in love with somebody
Found someone who completes me
I'm in love with somebody
And it's not you
It's not you
