

Higher and Higher

Dolly Parton

All your love lifting me higher
Than I ever been lifted before
So keep it up, quench my desire
Then I'll be at your side forevermore You know your love keeps on lifting me higher
Higher and higher
I said your love keeps on lifting me
Higher and higher Now once I was downhearted
This little loneliness my foes and friend
But when you came, he soon departed
And he never showed his face again You know your love keeps on lifting me higher
Higher and higher
I said your love keeps on lifting me
Higher and higher I'm so glad I finally found you
Yes that one in a million girl
And now with my loving arms around you
I can stand up and face the world You know your love keeps on lifting me higher
Higher and higher
I said your love keeps on lifting me
Higher and higher
