

For You I Will

Tata Young

When you're feeling lost in the night
When you feel your world just ain't right

Call on me, I will be waiting

Count on me, I will be there

Anytime the times get too tough

Anytime your best ain't enough

I'll be the one to make it better

I'll be there to protect you, see you through

I'll be there, and there is nothing, I won't do

[Chorus]I will cross the ocean for you

I will go and bring you the moon

I will be your hero, your strength

Anything you need

I will be the sun in your sky

I will light your way for all time

Promise you, for you I will

I will shield your heart from the rain

I won't let no harm come your way

Oh these arms will be your shelter

No these arms won't let you down

If there is a mountain to move

I will move that mountain for you

I'm here for you, I'm here forever

I will be your fortress, tall and strong

I'll keep you safe, I'll stand beside you, right or wrong

[Chorus]For you I will, lay my life on the line

For you I will fight, hmmm, for you I will die

With every breath, with all my soul

I'll give my word, I'll give it all

Put your faith in me

And I'll do anything

[Chorus]Promise you, for you I will
