

# Look Out For My Love

**Linda Ronstadt**

written by Neil Young

© 1977 Silver Fiddle (BMI) There's a lot to learn

For wasting time

There's a heart that burns

There's an open mind

Look out for my love

Look out for my love

Look out for my love

Look out for my love You own it

You own it now

You own it There's a weight on you

But you can't feel it

Living like I do

It's hard for you to see it

Was I hurt too bad

Can I show you daylight

How can I be sad

When I know that you might

Look out for my love

Look out for my love

Look out for my love

Look out for my love
