

Follow Me Home

Sugababes

Ooh, ooh, ooh, ooh, ooh, ooh

Ooh, ooh, ooh, ooh, ooh, ooh

Ooh, ooh

Like a light into my life

I never thought that it would feel so right, yeah

All I wanna do is hold you tight

And I'll be with you through trouble nights

Sometimes life it drags you down

And plays you like a fool

Makes you feel so empty sometimes

It can be so cruel, ooh yeah

So follow me home you'll never be lost

We'll weather the storm whatever the cost

I won't walk away, I'll stand by your side

I'm here for you the rest of our lives

When you're feeling all alone

Hear the words that I'm singing to you, oh

Like a seed that has been sown

As you grow, I will protect you, yeah, yeah

Sometimes life it drags you down

And plays you like a fool

Makes you feel so empty sometimes

It can be so cruel, ooh yeah

So follow me home you'll never be lost

We'll weather the storm whatever the cost

I won't walk away, I'll stand by your side

I'm here for you the rest of our lives

Baby all I'm trying to say is that my heart is here to hold you

I'm never far away take my hand so I can feel you

I've searched and I have found I'll never let you down

We will all stand on solid ground no matter what will always be around

(So follow me home)

So follow me home you'll never be lost

(Never be lost we'll weather the storm

We'll weather the storm, whatever the cost

(Yeah, yeah, yeah)

I won't walk away, I'll stand by your side

(I won't walk away, I'll stand by your side

I'm here for you the rest of our lives

(Yeah, yeah)
(So follow me home)
So follow me home you'll never be lost
(Never be lost we'll weather the storm
Wherever the storm whatever the cost
(Yeah, yeah, yeah)
I won't walk away, I'll stand by your side
(I won't walk away, I'll stand by your side)
I'm here for you the rest of our lives
(Yeah, yeah, yeah)
