The Spine Splitter

Cannibal Corpse

Fragmentizing
Disunite the backbone from the skeleton
Chop the bodies
Specialized in customized dismemberment
Hatchet wielding
Never ending thought of splittered vertebraeViolent insurgency
Squalid dependency, ivory interspersion, solace
Riving the arteries
Splenetic complacency, somberIrascible, aggressive ripping head to crotch
Life relieving
Propensity, consuming of the spinal cord
Dead not living
Animus from perpetual authority
Contumacious, bone displacement surgeryStagnant, pools of entrails
Permeates wretched odors, depraved
Corpses cloven spineless
Ultimate pancreas ablateViolent insurgency
Pernicious way of life
Bone displacement surgery
Division with an AxeFragmentizing
Chop the bodies
Hatchet wielding
The spine splitterStagnant, pools of entrails
Permeates wretched odors, depraved
Corpses cloven spineless
Ultimate pancreas ablateFragmentizing
Chop the bodies
Hatchet wielding
The spine splitting will never end
