The Spine Splitter

Cannibal Corpse

Fragmentizing

Disunite the backbone from the skeleton

Chop the bodies

Specialized in customized dismemberment

Hatchet wielding

Never ending thought of splittered vertebraeViolent insurgency

Squalid dependency, ivory interspersion, solace

Riving the arteries

Splenetic complacency, somberIrascible, aggressive ripping head to crotch

Life relieving

Propensity, consuming of the spinal cord

Dead not living

Animus from perpetual authority

Contumacious, bone displacement surgeryStagnant, pools of entrails

Permeates wretched odors, depraved

Corpses cloven spineless

Ultimate pancreas ablateViolent insurgency

Pernicious way of life

Bone displacement surgery

Division with an AxeFragmentizing

Chop the bodies

Hatchet wielding

The spine splitterStagnant, pools of entrails

Permeates wretched odors, depraved

Corpses cloven spineless

Ultimate pancreas ablateFragmentizing

Chop the bodies

Hatchet wielding

The spine splitting will never end
