

Come Home

Amanda Perez

Ooh, ooh, ooh
Ooh, ooh
Ooh, ooh, ooh Layin' in my room
Steady thinking about chu
And all the good times that we've had
And all the times you made me laugh Where did it all go?
Why am I here all alone?
This ain't my life and the way this posed to be
It's supposed to be you here with me Take all my money, take all my clothes
Take every beatin' of my soul, I don't need it
Tell me what I've got
What I had I already lost Take my house, take my cars
'Cause I can't live without my heart
I'm down on my knees and I'm letting go
I'm begging you to come home I know I've hurt you in the past
I know I've made you sad
But what more can I do
To show you everything I say is true So many sleepless nights
So many crying nights
I just want you to see
Just how much you mean to me Take all my money, take all my clothes
Take every beatin' of my soul, I don't need it
Tell me what I've got
What I had I already lost Take my house, take my cars
'Cause I can't live without my heart
I'm down on my knees and I'm letting go
I'm begging you to come home I can't stand to see us this way
(I can't stand to see us this way)
And I can't stand to wake each morning
And not see your face No matter what
I'm willing to pay the price
Just to have him
Just to have him in my life Take all my money, take all my clothes
Take every beatin' of my soul, I don't need it
Tell me what I've got
What I had I already lost Take my house, take my cars
'Cause I can't live without my heart
I'm down on my knees and I'm letting go
I'm begging you to come home (Come home)

I can't take this holding back
I can tell you this is bad
I love you and I need you
And it hurts when I can't see
Miss that feeling in my gut
When we kiss and when we hug
No more dreaming of our love
Reminiscing ain't enough
You ain't holding me now and consoling me now
I'm in this lonely house, feeling lonely now
Take the money, take the keys
Take the clothes, take it all
'Cause without his love I continue to grow
Take all my money, take all my clothes
Take every beatin' of my soul, I don't need it
Tell me what I've got
What I had I already lost
Take my house, take my cars
'Cause I can't live without my heart
I'm down on my knees and I'm letting go
I'm begging you to come home
