

# Better Together

Ross Lynch

Uh-who-o-o-oh uh-who-o-o-o-o,  
sometimes I get in my own way,  
I need someone to say, hey,  
what are you thinking,  
your words there always just in time  
just like a perfect rhyme,  
like your not Even trying,  
like pieces of a puzzle,  
without each other,  
we're in trouble, trouble  
hey I will always stay by your side forever,  
cause we're better together,  
hey there's no other way we'll make it through Whatever,  
cause we're better together,  
Uh-who-o-o-oh Uh-who-o-o-oh,  
Remind me when I'm losing touch,  
When I'm a little much,  
Pull, me back to reality,  
You, Keep my feet on the ground,  
Cause when your not around, I feel I am floating  
Like peices of a puzzle,  
without each other,  
we're in trouble, trouble

Hey, I will always stay,  
By you side forever,  
cause we're better together,  
Hey there's no other way,  
We'll make it through whatever  
cause we're better together  
like the waves need the  
sand to crash on,  
like the sun needs a world to shine on,  
your the bright side of everyday,  
me without you just isn't the same,  
it's not the same,  
better, oh better,  
oh better together  
hey I will always stay by your side forever,

cause we're better together,  
hey there's no other way will make it through whatever,  
cause we're better together,  
hey I will always stay by your side forever,  
cause we're better together,  
hey there's no other way will make it through whatever,  
cause we're better together,  
uh-who-o-o-o ooh ooh, uh-who-o-o oh oh oh
