The Thing About You

Darin

Loving you ain't easy - that would be the least to say
Though you make me happy - I don't always feel that way
We're a constant round of ups and downs
A bittersweet come true...
That's me....
That's you...
Sometimes I really love you
Sometimes hate is all I do
That was - that is - that be
The thing about you...
Sure know how to break me
Sure know how to make me smile
Though sometimes you hurt me
Damn you make it worth the while

We're a bit of this -a bit of that
A twisted kinda fact
That's us...
that's enough...
Sometimes I really love you
Sometimes hate is all I do
That was - that is - that be
The thing about you...
We're a pretty scene - We're a broken view
For an audience of two
You're a part of me - I'm a part of you
No matter what we go through
Sometimes I really love you
Sometimes hate is all I do...
[Chorus]
