

Spaceman (Remix)

Bif Naked

Spaceman oh Spaceman
Come rescue me from this
Calling all aliens
Come rescue me
Oho oh ha I see your face on television
Almost every day
In magazines and on the big screen
Close yet far away I wonder why you choose those others
And you never come to call on me
When I'm the one who's waiting for you
I really need you please pick me Spaceman oh Spaceman
Come rescue me from this
Calling all aliens
Come rescue me Spaceman oh Spaceman
Come rescue me from this
Calling all aliens
Come rescue me
Oh hoo Remember that night at my window
When I waved at you?
I must have been only five, or so
But I never forgot you I wonder why you choose those others
And you never come to call on me
When I'm the one who's waiting for you
I really need you please pick me Spaceman oh Spaceman
Come rescue me from this
Calling all aliens
Come rescue me Spaceman oh Spaceman
Come rescue me from this
Calling all aliens
Come rescue me Spaceman oh Spaceman
Come rescue me from this
Calling all aliens
Come rescue me Spaceman oh Spaceman
Come rescue me from this
Calling all aliens
Come rescue me
