

Waiting

Familiar 48

Sunrise creeping through my window
Thought that I could make it on my own
 But sometimes I miss you
 Sometimes I know that I was wrong
 Somehow I was made for you
But has it been too longSometimes love makes it
 Sometimes love dies
 And somewhere in the middle
I wait for you to arriveMoonlight draped across my shoulders
 No time for understanding you
 Still sometimes I miss you
 And now I know that I was wrong
 Somehow I was made for you
I know it's been too longSometimes love makes it
 Sometimes love dies
 And somewhere in the middle
 I wait for you to arrive
