Half Broke Heart

Cam

No need to give a bunch of lame half-assed excuses
Why this ainâ€™t love, Iâ€™m blonde but I ainâ€™t stupid
I wasnâ€™t looking for a ring it doesnâ€™t mean it doesnâ€™t sting
When you cut and run so soon
Good luck, so long
I guess I better get to leavin' too

A half truthâ€™s still a lie
I need my space is still goodbye
A wrong size shoe could look good on you
But youâ€™ll be cussin' your feet at midnight
A half cold beer ainâ€™t cold
Iâ€™ll be back soon is still gone
A half-smoked cigaretteâ€™s still smoked
And a half broke heartâ€™s still broke
Na, Na, Na, Na
A half broke heart is still broke

Upfront no strings
Sure fun till it unravels
Won't see me cry
But I might kind of want to call you tonight
Pour me a drink but don't make it too strong
Cause I need a little kicker to help me move on
I could say I don't care
But just okay ain't all the way there

A half truthâ€™s still a lie
I need my space is still goodbye
A wrong size shoe could look good on you
But youâ€™ll be cussin' your feet at midnight
A half cold beer ainâ€™t cold
Iâ€™ll be back soon is still gone
A half-smoked cigaretteâ€™s still smoked
And a half broke heartâ€™s still broke
Na, Na, Na, Na
A half broke heart is still broke

Just because you don't call it love don't mean it don't mean a thing

I saw it coming and no hard feelings but it's hard feeling this way

A half truthâ€™s still a lie
I need my space is still goodbye
A wrong sized shoe could look good on you
But youâ€™ll be cussin your feet at midnight
A half-cold beer ainâ€™t cold
Iâ€™ll be back soon is still gone
A half smoked cigarette is still smoked
And a half broke heart is still broke
Na, Na, Na, Na
A half broke heart is still broke
Na, Na, Na, Na
A half broke heart is still broke
Na, Na, Na, Na
A half broke heart is still broke
