I Wanna Know You Like That

Anthem Lights

I wanna know, I wanna know, I wanna know, I wanna know
I wanna know, I wanna know, I wanna know, I wanna know

Just today, I heard a story of a pastor far away
who watched his church walls fall with the rain
With tears in his eyes, here is what he had to say
Let's reach the ones that will rebuild this place
I wanna know, You like that
To live, to love, with everything I am
To give it all, I wanna know You like that
To become, a man after Your heart
And not look back
I wanna know You like that

I wanna know, I wanna know, I wanna know, I wanna know, like David did
He lived a life this world cannot forget
He'd fall so hard then get back up again
And face the giant knowing he would win
Because You were with him
I wanna know You like that
To live, to love, with everything I am
To give it all, I wanna know You like that
To become, a man after Your heart
And not look back
I wanna know You like that

With every breath I breathe
I wanna help others see
And I will never stop 'til everybody's singing
With every breath I breathe
I wanna help others see
And I will never stop 'til everybody's singing

I wanna know You like that
To live, to love, with everything I am
To give it all, I wanna know You like that
To become, a man after Your heart
And not look back
I wanna know You like that
To live, to love, with everything I am

To give it all, I wanna know You like that
To become, a man after Your heart
And not look back
I wanna know You like that
I wanna know, I wanna know, I wanna know, I wanna know
I wanna know You like that
I wanna know, I wanna know, I wanna know, I wanna know
I wanna know You like that
I wanna know, I wanna know, I wanna know, I wanna know everybody singing.
