I Don't Wanna Fall Away from You

Keith Green

After all the things that You have shown me
I'd be a fool to let them slip away
And doing things I know I shouldn't do
Well I don't wanna fall away from You, from YouAfter all I've only grieved Your spirit
And then I don't know why You stay with me
But every time I fall Your love comes through
And I don't wanna fall away from You, from YouWhen the light is gone and good times are getting old
There's no one left to count on and all my friends are cold
When I thirst for love, oh Lord, You're a fountain to my soul
My soul, my soul, oh, oh, my soulIn a way my life is full of burden
But in a way You carry them from me, Jesus
'Cause no one understands the way You do
And You know Lord, I don't wanna fall away from You
