

Texas (Acoustic Version)

Primer 55

Gigs up girl, I'm calling your bluff
where your bed at? Baby where your handcuffs
one time and you can't get enough
I know your a freak girl, I know you like it rough
make a man scream lord have mercy
baby girl scream lord have mercy
yea, you know you sure look good to me
yea look good to me(pre chorus)
won't you take me there?
Take me where I wanna
won't you take me there?
Head back to Texas I'm in the water and I'm testing my luck
you got the line, baby here comes the hook
the videos and the pictures you took
your a freak ho, so let me have myself a look
shake your ass girl, lord have mercy
god damn, lord have mercy
yea your loves like ecstasy
when your next to me(chorus)
won't you take me there?
Take me where I wanna
won't you take me there?
Head back to Texas
36-24-36 got those girlies all up in my mix
Suckin dicks is some serious shit
and you know this
head back to Texas those pants got your ass lookin tight
I know, you know, you know you shake it just right
from the back from the front from the side
hush your mouth girl, I know you do it just right
make a man scream lord have mercy
back it up girl, lord have mercy
yea your shit feels good to me
feels good to me(chorus)
won't you take me there?
Take me where I wanna
won't you take me there?
Head back to Texas
36-24-36 got those girlies all up in my mix

Suckin dicks is some serious shit
and you know this
head back to Texas
where the girls bounce 24/7 right?
And they do it to you every fucking single night
you get yourself into a little sticky icky situation
head back to Texas(outro)
so where my girls at? Texas
you know I?m talking about Texas
good times in Texas
you know I?m headed back to Texas
girl, let me holla at you, said girl
yea I?m talking to you
so where my girls at? Texas
good times in Texas
