## The Light Is On

## **Christopher Cross**

Is it yours? Is it mine?
I was never the kind who could draw the line
Are you free? Unforgiven

Is this the kind of world you could live in? But it's alright, the light is on

The darkness has run to hide

It's alright, the light is on

But the darkness is just outsideOutside your window, beating down

Making the sound of the rain

Drive you crazy, make you lazy

You know it's only the rainBut it's alright, the light is on

The darkness has run to hide

It's alright, the light is on

But the darkness is just outsideIs it yours? Is it mine?

I was never the kind who could draw the line

Are you free? Unforgiven

Is this the kind of world you could live in?It's alright, the light is on

The darkness has run to hide

It's alright, the light is on

The darkness is just outsideBut it's alright, the light is on

The darkness has run to hide

It's alright, the light is on

The darkness is just outside

Outside your window
