Ankylym

Man, you had me fooled
What I thought was sweet was so rude, now
 You can see all them words
Cause such a [Incomprehensible]
 What you are is a problem
No, and you won?t change me
 ?Cause I?ll never go
 No, I never know
 Chocolate covered sheets
More than [Incomprehensible]
 That was once homemade

Well now, I know I can?t be saved by you
 You and I won?t have to go
 And all my dreams
 Are a part of you now
They?re a part of you now
 Please won?t you go
 And set me down?
