

Dedicate It

The Afghan Whigs

My love don't comfort me
She toys with my sincerity
On that I can depend Yeah, I've found that nothing's straight
My twisted mind is bent all out of shape
But you will come back and you will live on
Indeed I know But you wouldn't lie when I told you to
Had to waste your time and tell the truth, yeah
This one is three, this one is three, this one is three
Indeed I know
You got me figured out now
Now we're both disappointed { Shall we go back, yeah lets go } What's done is now undone
Let's cut the line and have the action
In time I will be able to give
I know But you wouldn't lie when I told you to
Had to waste your time and tell the truth yeah
This one is three, this one is three, this one is three, yeah
Indeed I know
You got me figured out now
Now we're both disappointed yeah
You got me figured out now
Now we're both disappointed
