

My Love Will Never Die, Pt. 1

Otis Rush

You've done me wrong for a long, long time.
And all you've done still never changed my mind so
Please,
Try to love me, oh please honey try.
My love for you will never die. You've done me wrong for a long, long time.
And all you've done still never changed my mind so
Please,
Try to love me, oh please honey try.
My love for you will never die. These flowers grow where I lay and rest
And these colored blossoms darling, hold to your breast
And darling I know it's my mind breaking out from inside
My love for you will never die
