

God Save the Queen (feat. MÃ©lanie Pain)

Nouvelle Vague

God save the queen
The fascist regime
They made you a moron
Potential H-bomb God save the queen
She ain't no human being
There is no future
In England's dreaming Don't be told what you want
Don't be told what you need
There's no future, no future,
No future for you God save the queen
We mean it man
We love our queen
God saves
God save the queen
'Cause tourists are money
And our figurehead
Is not what she seems Oh God save history
God save your mad parade
Oh Lord God have mercy
All crimes are paid When there's no future
How can there be sin
We're the flowers in the dustbin
We're the poison in your human machine
We're the future, your future God save the queen
We mean it man
We love our queen
God saves
God save the queen
We mean it man
And there is no future
In England's dreaming No future, no future,
No future for you
No future, no future,
No future for me No future, no future,
No future for you
No future, no future
For you
