

# Goodbye

## Jagged Edge

Sometimes...

What may be the best thing for you to do  
Sometimes it the hardest thing for you to do

And thats real

Cause I know that I love you

I know how I feel about you

But I also know that don't make everything alright

And for that reason

I gotta say goodbye

Tell me have you ever been in a  
Situation where the best thing you could do

Is the hardest thing you've ever done

But you try to do whats right

And I know that deep down inside

That I really wanna be there by your side

But I can't stand to see you cry

Not when its because of me

And its over, I'll never love another

I'm always thinking of her, I'm doing this because of her

Don't wanna say goodbye

I don't wanna let her see me cry

Looking out the window and wondering why

Did we have to say all those things that we said last night

Baby I don't wanna say goodbye

So I'm just standing here wondering why

Just don't like to see when you cry

So I'ma say goodbye

If you think I cause I packed your stuff

That inside I ain't really really cracking up

Cause you're wrong I just hide it good

Cause I know thats what you need

And there's more to life than loving yourself

You gotta learn to love somebody else

And thats why I do the things that I do

And its over, I'll never love another

I'm always thinking of her, I'm doing this because of her

Don't wanna say goodbye  
I don't wanna let her see me cry  
Looking out the window and wondering why  
Did we have to say all those things that we said last night  
Baby I don't wanna say goodbye  
So I'm standing here wondering why  
Just don't wanna see when you cry  
So I'ma say goodbye

There's no one in this world that can ever take your place  
All the love that we share, it can never be erased  
And I know that, that it hurts so bad  
And its so that, that you're the best I've had

There's no one in this world that can ever take your place  
All the love that we share, it can never be erased  
And I know that, that it hurts so bad  
And its so that, that you're the best I've had

There's no one in this world that can ever take your place  
All the love that we share, it can never be erased  
And I know that, that it hurts so bad  
And it's so that, that you're the best I've had

There's no one in this world that can ever take your place  
All the love that we share, it can never be erased  
And I know that, that it hurts so bad  
And it's so that, that you're the best I've had
