The Fox

Niki & the Dove

Whenever she is weary
She climbs uphill
And crosses a dark trail
And there she finds the fox in the wooden glade
She lies by a rock and she's red
She smells of violets and ?
She flicks her ears
As I whisperI've grown a handsome tall tree, mother
And I want to bear a fruit for you
And I've carried your fears and your hopes, father
They're so heavy on my back, oh you should knowCatch some sleepI wanna find the eagle's nest
Oh take me with you (oh, oh)
Oh, and I've been waiting a lifetime for this
And I am ready (oh, oh)
Oh, best believe me I've been up all night
They call me crazy (ooh, ooh)
But I wanna see what the sky looks like
From your view (uh oh, uh oh, whoa)But I saw
Your face carved in clay
And I saw (she saw)
It outlined against a purple sky
It goes loud and deep in me
Loud and deep
My home
Is on that cliffI wanna find the eagle's nest
Oh take me with you (oh, oh)
Oh, I've been waiting a lifetime for this
And I am ready (uh oh, uh oh)
Whoa, forever wanderer, I wandered all my life
They never knew me (no, no)
Oh, I wanna see what the sky looks like
From your view (uh oh, uh oh, whoa)I've grown a handsome tall tree, mother
And I want to bear a fruit for you
And I've carried your fears and your hopes, father
I'll conquer them for me and you
I've grown a handsome tall tree (oh)
And I want to bear a fruit for you
And I've carried your fears and your hopes, father

I will conquer them for me and youI've grown a handsome tall tree
