You're Alive

Superdrag

Calm as the blood dries in your veins
Armed with all that you have in your brainOverlord of the disengaged
Coming back from the dead
Lock your burden in a cage
And come alive again
You're alive!Peace is always in your grasp
Leave all that you have in your pastSo overlord of the disengaged
Coming back from the dead
Lock your burden in a cage
And come alive again
You're alive!I got a broken cast
Memories won't last
Picture seems to fade
And then you got it made
Everyone was told
Never growing oldCalm as the blood dries in your veins
Armed with all that you have in your brainOverlord of the disengaged
Coming back from the dead
Lock your burden in a cage
And come alive againWon't you come alive again
Won't you come alive again
You're alive!
