

In My Arms

JOHNNYSWIM

I'm gonna love you like nobody will
Under the rainbow and over the hill
I'll show you a world where time can stand still
If you'll let me Cause money can buy me a diamond that fades
But ours is a love story for every age
I'll be the writer, and you'll be my page
If you let me It doesn't matter where we are
Stuck in the rain in central park
Driving down sunset boulevard
If you're there in my arms It doesn't matter where we go
East Tennessee or Tokyo
I'm not a foreigner, I'm home
When you're there in my arms I'm gonna give you much more than you need
Please take it all love, let's not call it greed
This is my offer, I'm making for free if you'll let me We'll make a life and a baby or two
One favors me and the next one you
I'll build them a house where their dreams can come true
Just let me Cause it doesn't matter where we are
Stuck in the rain in Central Park
Driving down Sunset Boulevard
When you're there in my arms It doesn't matter where we go
East Tennessee or Tokyo
I'm not a foreigner, I'm home
When you're there in my arms And if you reject me darlin'
Please don't forget me I've been spending all my time
On this day dreaming of mine OÃ¹ nous sommes n'on pas d'importance.
Proposant sur le Pont Alexandre Trois
Sur les Champs-Élysées
Quand le ciel est noir
Si vous Ãªtes dans mes bras And it doesn't matter where we go
I'll be New York, you'll be my Rome
I'm not a foreigner I'm home
When you're there in my arms
