# Find the Words

## Kieran Goss

Oh I can't say a word or you react
Oh I, if I say white, you say black
Tell me now how you feel so I might know
Find the words or forever let me goYou, you build a wall too high to climb
Oh you, you hear me call still you decline
Tell me now how you feel so I might know
Find the words or forever let me goYou've got to say it out
No point in being so proud
What's it all about
Why don't you say it out loud
Don't justify or try to make sense
Don't even worry if I take offence
Just talk to me
Please talk to meOh I don't want to fight another day
Oh please, just for tonight don't turn away
Tell me now how you feel so I might know
Find the words or forever let me go
