Wheels

Pete Yorn

We have our wheels
To take ourselves away
We got telephones
To say what we can say
We all got higher and higher everyday
Come on wheels
Take this boy away
We're not afraid to ride
We're not afraid to die
So come on wheels
Take me home today
Come on wheels
Take this boy away

Now when I feel
My time is almost up
And destiny is in my hands
I'll turn to Him
Who made my faith so strong
Come on wheels
Make this boy a man
We're not afraid to ride
We're not afraid to die
Come on wheels
Take me home today
Come on wheels
Take this boy away
