

# Monster (feat. Rihanna)

## Eminem

[Chorus - Rihanna]

I'm friends with the monster

That's under my bed

Get along with the voices inside of my head

You're trying to save me

Stop holding your breath

And you think I'm crazy

Yeah, you think I'm crazy (crazy)[Eminem - Verse 1]

I wanted the fame, but not the cover of Newsweek

Oh well, guess beggers can't be choosey

Wanted to receive attention for my music

Wanted to be left alone in public excuse me

Been wanting my cake, And eat it too

And wanting it both ways

Fame made me a balloon cause my ego inflated

When I blew seep and it was confusing

Cause all I wanted to do is be the Bruce Lee of loose leaf

Abused ink, used it as a tool when I blew steam

Hit the lottery (oh wee)

With what I gave up to get was bittersweet

It was like winning a huge meet

Ironic 'cause I think I'm getting so huge I need a shrink

I'm beginning to lose sleep: one sheep, two sheep

Going cuckoo and cookey as Kool Keith

But I'm actually weirder than you think

Cause I'm...[Chorus]

I'm friends with the monster

That's under my bed

Get along with the voices inside of my head

You're trying to save me

Stop holding your breath

And you think I'm crazy

Yeah, you think I'm crazy Well, that's nothing

oh oh oh oh

Well, that's nothing

oh oh oh oh[Eminem - Verse 2]

Now I ain't much of a poet

But I know somebody once told me to seize the moment

And don't squander it

Cause you never know when it could all be over  
Tomorrow so I keep conjuring  
Sometimes I wonder where these thoughts spawn from  
(Yeah, ponder it, do you want this? there's no wonder you're losing your mind the way you're wandering?)  
I think you've been wandering off down yonder and stumbled onto Jeff VanVonderen  
Cause I needed an interventionist to intervene between me and this monster  
And save me from myself and all this conflict  
Cause the very thing that I love is killing me and I can't conquer it  
My OCD is conking me in the head  
Keep knocking, nobody's home, I'm sleepwalking  
I'm just relaying what the voice in my head saying  
Don't shoot the messenger, I'm just friends with the...[Chorus]  
I'm friends with the monster  
That's under my bed  
Get along with the voices inside of my head  
You're trying to save me  
Stop holding your breath  
And you think I'm crazy  
Yeah, you think I'm crazy Well, that's nothing  
oh oh oh oh  
Well, that's nothing  
oh oh oh oh[Eminem - Verse 3]  
Call me crazy, but I had this vision  
One day that, I'd walk amongst you a regular civilian  
But, until then,  
drums get killed and I'm Coming straight at  
Emcees, blood get spilled and I  
Take it back to the days that, I get on a Dre track  
Give every kid who got played at  
Pumped the feeling  
and shit to say back  
To the kids who played 'em  
I ain't here to save the fucking children  
But if one kid out of a hundred million  
Who are going through a struggle feels and it relates that's great  
It's payback, Russell Wilson falling way back  
In the draft, turn nothing into something still, can make that  
Straw in the gold chump I will spend  
Rumpelstiltskin in a hay stack  
Maybe I need a straightjacket, face facts  
I am nuts for real, but I'm okay with that  
It's nothing, I'm still friends with the...[Bridge]  
I'm friends with the monster  
That's under my bed  
Get along with the voices inside of my head

You're trying to save me  
Stop holding your breath  
And you think I'm crazy  
Yeah, you think I'm crazy I'm friends with the monster  
That's under my bed  
(Get along with)  
Get along with the voices inside of my head  
(You're tryna)  
You're trying to save me  
Stop holding your breath  
And you think I'm crazy  
Yeah, you think I'm crazy Well, that's nothing
