

# Underdog

## A Tributer

She's an underdog, lives next door to me  
She's always heard, you won't amount to anything  
And it kills me to watch the agony beyond her eyes  
Tragic the way people pass her by but now I realize  
    That everyone sees her but nobody knows her  
    She screams in her pillow for a better tomorrow  
    She hates it but she takes it, watch out for that girl  
        One day she may change the world  
        She's original, never trying to fit in  
        She's got a way to always go against the grain  
Oh yeah, someday they'll see how beautiful she really is  
    I know the last will be the first, the tables gonna turn  
    'Cause everyone sees her but nobody knows her  
    She screams in her pillow for a better tomorrow  
    She hates it but she fakes it, watch out for that girl  
        One day she may change the world

Maybe she'll be in a movie  
Maybe she'll be in a song, yeah  
    Better pay her some attention  
        Before she's gone  
        She's an underdog, yeah  
        She means the world to me, yeah  
        Everyone sees her but nobody knows her  
        She screams in her pillow for a better tomorrow  
        She hates it but she makes it, watch out for that girl  
        One day she may change the world  
        And everyone sees her but nobody knows her  
        She screams in her pillow for a better tomorrow  
        She hates it but she makes it, watch out for that girl  
        One day she may change the world
