

# The Wake (Instrumental)

## August Burns Red

Destroy everything, cleanse  
Wipe away the filth  
Set fire to your waste  
Burn everything  
Back into dirt  
Burn everythingFlood, drown the earth  
Flood, drown the earth  
It's what we deserveRehash the poisons  
You breathe in the air  
Tear down what you say your father created  
Constructing buildings over buildings  
Conceal history like a shameful scar  
This world has lived for a million years with more to come  
It's only a matter of time until you choke on your indifference  
Struggling to breathe as the water fills your lungs  
Trying hard to scream as it rises into your throatThe reckless, the careless  
Will reign until the oceans riseFlood, drown the earth  
Flood, drown the earth  
It's what we deserve  
It's what we deserve  
It's what we deserve  
It's what we deserve  
It's what we deserveThis world has lived for a million years with more to come  
It's only a matter of time until you choke on your indifference  
Struggling to breathe as the water fills your lungs  
Trying hard to scream as it rises into your throatWake up  
And save yourself  
The sea will reclaim  
What it worked to create  
Wake up  
Save yourself  
Pick up the pieces  
Ask for forgiveness
