

Perdoname Jefita

MC Blvd

Perdoname Perdoname

Mi Jefita

Perdoname

Kickin Back Kickin Back

Thinking Bout Those Old School Days

When I Was A Chavalio With My Gang Related Ways

My Jefa Is In My Face Will I Ever Change

Im Only 10 Years Old & Im Acting Hella Strange

Running The Calles Late At Night

Selling Yesca En La Esquina

Hiding From My Carnalia So She Wont Tell My Jefia

Kickin It Through The Barrio Cuz The Barrio Is My Fam Bam

Grew Up On The Calles All I Know Is How To Gang Bang

Through The Callejones De Cavrones Spray Painting The Barrio

A Placaso A Putaso If You Cross It Out

Cuz Aint No Doubt That Your Down When Your In The Crowd

Now Its My Jefita Whom I Think About

CHORUS 2x

Perdoname(Perdoname)

Perdoname(Perdoname)

Mi Jefita Perdoname

Querida Madre I Sit Here Y Me Pongo Ha Piensar

Of All The Divious Things That I Shouldnt Have Done

Of All The Times That I Yelled & Yelled & Rebeled

Im Paying Back Here Alone In My 8 by 10 Cell

How Could I Been Homie Such A Burden To Her

I Should Of Loved Her & Offered Her The World To Her

Its To Late & All I Do Is Ask For Your Forgiveness

Jefita I Cry Out For You In This Wilderness

Me Despierto Unas Noches Sweating Like A Perro

No Quiero Dormir Y Tengo Mucho Miedo

Estoy So
