

# Possession

## Azriahl

I, Succumb to you  
I'm, Always failing at your hand  
Well this time can I have more time to  
I need more time to

I've thought about it  
What you've said  
Ever changing  
Still these words ring in my

I never thought we'd see this point  
But here we are now  
I there's nothing I can do  
No there's nothing I can do

I lay down for you  
I succumb to you  
I Submit to you  
Its over now

Coming round again  
The sweetest taste,  
Of the aftermath  
Still on my tongue

Am I so wrong to ask  
Am I just your stupid toy  
Why cant you let me go  
Your smile tells me no  
I Shed my blood for you
