

Naughty On Xmas

3LW

You and me together alone
Fireplace, watching the snow
Holding me up in your arms
What you want to do? I'm in the mood to put it down slow
Catching you under the mistletoe
Boy it's on, nobody will know what we do, so tonight is just for you and me
You can cut my Christmas tree
Baby, it's alright to be naughty on Christmas I'll slide down your chimney
Misbehave, it's cool with me
Baby, it's alright to be naughty on Christmas Melody soothing the soul
Baby, please don't say no
I don't need to be in control
Boy it's up to you I got a gift, I know you got mine too
And you don't have to wrap it up
You're all I want for Christmas Eve
Baby, that's the truth No, we don't need no toys
You give me Christmas joy
We'll spend this holiday together
Like all lovers do tonight is just for you and me
You can cut my Christmas tree
Baby, it's alright to be naughty on Christmas I'll slide down your chimney
Misbehave, it's cool with me
Baby, it's alright to be naughty on Christmas I just want to lay and cuddle boy, I love you, babe
Don't you feel like causing trouble on this Christmas day?
If I had to choose it wouldn't be no other way
I know it don't sound right but baby, it's okay tonight is just for you and me
You can cut my Christmas tree
Baby, it's alright to be naughty on Christmas I'll slide down your chimney
Misbehave, it's cool with me
Baby, it's alright to be naughty on Christmas tonight is just for you and me
You can cut my Christmas tree
Baby, it's alright to be naughty on Christmas I'll slide down your chimney
Misbehave, it's cool with me
Baby, it's alright to be naughty on Christmas Oh yeah, yeah, yeah
No no, no no no no, on Christmas
