

# Don't Touch Me There

[Charly McClain](#)

These hands, you can hold 'em all night if you want to  
And these lips won't mind your kisses, no, they don't care  
You can lay your head on my shoulder, maybe even get a little bolder  
But when it comes to my heart, don't touch me there  
These arms, you can wrap 'em 'round you gently  
Your fingers, you can run 'em through my hair  
But there's one place that's off balance from the last time love came 'round  
When it comes to my heart, don't touch me there  
Last time I gave my heart so sweetly, it broke  
He broke it so completely that even now it's more than I can bear  
Now someday I know I'll try again, someday but until then  
When it comes to my heart, don't touch me there  
These hands, you can hold 'em all night if you want to  
And these lips won't mind your kisses, no, they don't care  
You can lay your head on my shoulder, maybe even get a little bolder  
But when it comes to my heart, don't touch me there  
When it comes to my heart, don't touch me there
