Linda On My Mind

Conway Twitty

Now I'm lyin' here with Linda on my mind
And next to me, my soon to be, the one I left behind
And Lord, it's killin' me to see her cryin'
She knows I'm lyin' here beside her with Linda on my mindYes, I know that I once loved her and I placed no one above her
And I never thought I'd ever set her free but it just wasn't in my plans
The way Linda squeezed my hand
The first time that I held her close as she danced with meShe said, "I've loved you for a long time
But you're married to a friend of mine
And I've tried hard to never let it show but my love for you is stronger
I can't hide it any longer and so I thought I'd better let you know"That I'm lyin' here with Linda on my mind
And next to me, my soon to be, the one I left behind
And Lord, it's killin' me, to see her cryin'
She knows I'm lyin' here beside her with Linda on my mind
