

# Nothing to Regret

## Sodom

The smell of death is all around  
Cold violence we adore  
The daily deeds man for breakfast  
Shall life renew these bodies of the truth  
Abused visions and shattered dreams  
From this pain and misery  
Just pray to summon up the dead  
Condemned to the capital punishment You rule the world  
You drink their blood  
Betray their souls  
You think you've Nothing to regret  
Wounds are bleeding flesh  
Illusions of freedom  
The symbols of your destiny Prophecies of blasphemies  
The reverence that died within  
They are creeping upon you  
Hatred venom seeping through  
You want to be the master's blast  
Ain't no promises that will last  
Feel increasing mindless pain  
To the epicenter of my hate You rule the world  
You drink their blood  
Betray their souls  
You think you've Nothing to regret  
Wounds are bleeding flesh  
Illusions of freedom  
The symbols of your destiny You rule the world  
You drink their blood  
Betray their souls  
You think you've Nothing to regret  
Wounds are bleeding flesh  
Illusions of freedom  
The symbols of your destiny
