

Make You Feel My Love

Joan Osborne

When the rain is blowin' on your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love
When the evenin' shatters and the stars appear
And there is no one there to dry your tears
I could hold you for a million years
To make you feel my love
I know you haven't made your mind up yet
But I would never do you wrong
I've known it from the moment that we met
No doubt in my mind where you belong

I'd go hungry, I'd go black and blue
I'd go crawlin' down the avenue
No, there's nothing that I wouldn't do
To make you feel my love
The storms are ragin' on the rollin' sea
And on the highway of regret
The winds of change are blowin' wild and free
You ain't seen nothin' like me yet
I could make you happy, make your dreams come true
There is nothing that I wouldn't do
Go to the ends of the earth for you
To make you feel my love
