

# Suddenly

## Hear'Say

Having fun, getting sun, moving on  
That seemed to be the thing for me  
Single and so happy  
Hit the town, getting down, play around  
That's all I wanted to do, until I saw you  
You came along, you proved me wrong  
Shattered every dream I knew  
I'm so glad I found you  
Suddenly, I can see I never knew love before  
And it changes everything  
And it's so exciting  
Suddenly, I can see I never knew love before  
'Cause it took a hold on me  
Out of nowhere suddenly  
Suddenly... love has got a hold on me  
Be a tease, hold the keys, love and leave  
I thought I was in control  
But I'm captured body and soul  
Don't you see, you and me, destiny  
I thought I've been in love before  
But there is so much more  
You came along, you were the one  
Boy it's like a dream come true  
I'm so glad I found you  
Suddenly, I can see I never knew love before  
And it changes everything  
And it's so exciting  
Suddenly, I can see I never knew love before  
'Cause it took a hold on me  
Out of nowhere suddenly  
Suddenly... love has got a hold on me  
Suddenly, out of the blue  
You came along like a dream come true  
I wasn't looking but you came to find me  
Heavenly angel there to guide me  
Try as I may I couldn't go wrong  
'Cause you were waiting there all along  
We had a bond, a genuine connection  
'Cause destiny is the only direction

Suddenly, I can see I never knew love before  
And it changes everything  
And it's so exciting  
Suddenly, I can see I never knew love before  
'Cause it took a hold on me  
Out of nowhere suddenly  
Suddenly, I can see I never knew love before  
And it changes everything  
And it's so exciting  
Suddenly, I can see I never knew love before  
'Cause it took a hold on me  
Out of nowhere suddenly  
Suddenly, I can see ....  
Suddenly, I can see ....  
Suddenly, I can see ....  
Suddenly, I can see ....  
Suddenly
