3OH!3

Nice legs, Daisy Dukes,
Makes a man go (whistles),
That's the way they all come through like (whistles),
Low-cut, see-through shirts that make ya (whistles),
That's the way she come through like (whistles), Cause I just set them up,
Just set them up,
Just set them up to knock them down,
Cause I just set them up,
Just set them up,
Just set them up to knock them down I think I should know how to make love to something
Innocent without leaving my fingerprints out,
Now,
L-o-v-e's just another word I never learned to pronounce,
How do I say I'm sorry 'cause the word is never gonna come out,
Now,
L-o-v-e's just another word I never learned to pronounce Tight jeans, double D's making me go
All the people on the street know
Iced out, lit-up make the kids go
All the people on the street know Cause I just set them up,
Just set them up,
Just set them up to knock them down,
Cause I just set them up,
Just set them up,
Just set them up to knock them down I think I should know how to make love to something
Innocent without leaving my fingerprints out,
Now,
L-o-v-e's just another word I never learned to pronounce,
How do I say I'm sorry 'cause the word is never gonna come out,
Now,
L-o-v-e's just another word I never learned to pronounce Push it baby, push it baby,
Out of control,
I got my gun cocked tight and I'm ready to blow,
Push it baby, push it baby,
Out of control,
This is the same old dance that you already know,
Push it baby, push it baby,
Out of control,
I got my gun cocked tight and I'm ready to blow,
Push it baby, push it baby,

Out of control,
This is the same old dance that you already know I think I should know how to make love to something
Innocent without leaving my fingerprints out,
Now,
L-o-v-e's just another word I never learned to pronounce
