

Let's Burn Down the Cornfield

[Randy Newman](#)

Let's burn down the cornfield
Let's burn down the cornfield
And we can listen to it burn You hide behind the oak tree
You hide behind the oak tree
Stay out of danger 'til I return Oh, it's so good, on a cold night
To have a fire burnin' warm and bright You hide behind the oak tree
You hide behind the oak tree
Stay out of danger 'til I return Let's burn down the cornfield
Let's burn down the cornfield
And I'll make love to you while it's burning And I'll make love to you while it's burning
