

My Bubble Gum (Clean)

Rasheeda

The type of girl you wanna chew all of my bubble gum
The type of girl you wanna chew all of my bubble gum
I'm the type of girl you wanna take to yo mommy house
Take, t-t-take, take, take to yo mommy house Yep, the Georgia peach and I'm back again
It's time to do the damn thing better tell your friends
First things first, I 'Sheena
Mess around wit' no man who won't eat her It's time to get it straight, these suckers 'round here tripping'
You know you do it boy, so go on keep it pimping'
I got that juicy fruit, certified bubble yum
He going' down, chewing on my bubble gum Sometimes you gotta direct 'em like traffic
I don't cum quick but when I do it's fantastic
I get em wide open, oh, I think he like me
Got that Aquafina make them boys wanna wife me The type of girl you wanna chew all of my bubble gum
The type of girl you wanna chew all of my bubble gum
I'm the type of girl you wanna take to yo momma house
Take, t-t-take, take, take to yo momma house The type of girl you wanna chew all of my bubble gum
The type of girl you wanna chew all of my bubble gum
I'm the type of girl you wanna take to your momma house
Take, t-t-take, take, take to your momma house Now let me see a nod or somethin'
You lookin' suspect like your ass is frontin'
Got my own car and my own crib
I see why you wanted me to meet your momma then You never had a flavor like this
A little Georgia peach, a little southern twig
I hit and don't miss
Guaranteed money like the first and the fifth Yeah, I know I got that work
Got that good good you wanna eat it like dessert
He wanna show off this prize piece
So drop them nickels off boy and get this dime piece The type of girl you wanna chew all of ma bubble gum
The type of girl you wanna chew all of ma bubble gum
I'm the type of girl you wanna take to your momma house
Take, t-t-take, take, take to your momma house The type of girl you wanna chew all of my bubble gum
The type of girl you wanna chew all of my bubble gum
I'm the type of girl you wanna take to your momma house
Take, t-t-take, take, take to your momma house It's hittin' for a lot of bread
I'm off the chain wit' it watch me do it with no hands
Classy but get nasty at the same time
Once I hit the football stands call it game time Posted in the club like a super model
Jeans painted on same price as the Cris bottle
