

Don't Cry

Syreeta

Prelude

Aye??..

Burn bad mind in this time

Aye??.

Gangster for life

Ma Ma don?t cry

No no no no no no no no

Ma Ma even if them kill me, don?t cry

they could never take d ?G? from me.

Me have fe pray for me enemies,

Dem see me wit me things and wha take de keys from me.

But even if dem kill me,

Don?t cry me know none ah dem never build me,

Even if dem kill me, even if dem kill me.

Born pun de gully and me never choose it

We never considered riches off de music

Just like de African shake on de Congo music

De Rasta man bun dem fire pun de gangster music

I man have fe make a living for me family

Need to give some money to my mommy

But every thing me ah do dem ah pressure me

Unno lucky unno see de best ah me

Chorus

Me sing wha me wha fe say

but when me say wha me wha fe say

dem say me nah fe say

So me buy ?X? amount ah gun

ah that wha dem wha fi say

dem wha me fingers split up in a half is ah that dem wha fi say.

But me tell dem suck dey mumma that now I fe say

Kill him cold chrome that ah dem wha fe say

Me ah gangster we ah rise up like de flood

A that dem nah wha fi say

Wha fi say
No way

Chorus
