

I Didn't Know

The Three Degrees

Do do do do do do doooooI didn't know (didn't know)
Ooh, you're gonna be my baby, hey
(Be my baby)
I didn't know
Loving you would drive me crazy
(Drive me crazy)Ooh, didn't know
When your friend introduced us
It would be a start of a love affair
Chokes me up
To ever think of leaving you
Hope you feel the same way tooI didn't know (didn't know)
You're gonna be my baby, yeah
(Be my baby)
I didn't know
Loving you would drive me crazy
(Drive me crazy)Ooh, you swoop down on me
Like a hawk from above
Clipped my wings
And I knew I was in love
Thought I was in love with another man
But look at me
I'm in the palm of your handI didn't know (didn't know)
Ohhhhh, you're gonna be my baby, yeah
(Be my baby) I didn't know
Loving you would drive me crazy, hey
(Drive me crazy)Do do do do do do dooooo
Do do do doI didn't know (ooh)
You're gonna be my baby, yeah
(Be my baby)
I didn't know
Loving you would drive me crazy, hey
(Be my baby)Didn't know (do do do)
Didn't know (do do do)
Didn't know (be my baby)
I didn't know (do do do)
Ooh, you're gonna be my baby, yeah (be my baby)
Said I didn't know (do do do)
Didn't know (do do do)
Didn't know (be my baby)

Said I didn't know (do do do)
Didn't know (do do do)
Didn't know (be my baby, ooh)
Didn't know (do do do)
You're gonna be my baby, yeh
