

Hula Hoop (feat. UNiiQU3)

Brenmar

Now I need you to swing them hips like
Like a hula hoop

Let's go
Let's go
Let's go
Let's go

Bring it back around now
Hula hoop

Let's go

Swing them hips
Round and round
Swing them hips
Up and down
Swing them hips
Round and round
Round and round

Let's go
Let's go

Uh, to the left
Uh, to the right
Uh, to the left
Uh, to the right
Up and down
Up, up, up and down
Up, up, up and down
Round and round
Oh

Uh, uh, uh uh
Bring it back
Bring it back
Bring it back
Bring, bring it back
Bring it back
